Transmittal of Terminal Disclaimers Responsive to Office Action of Dec. 21, 2005

Herewith are Terminal Disclaimers responsive to the Office Action of Dec. 21, 2005. The Terminal Disclaimer identifies the assignee "Braun Aktiengesellschaft" consistent with the denomination of patentee on its US Pats. 6,083,233 and 6,293,953 identified thereon, although the name of the assignee/patentee has changed to "Braun GmbH" pursuant to a change of corporate form; it is the same entity.

A Petition to Correct Inventorship to delete an inventor (Kreutz) was filed on August 20, 2004, but has not yet been acted upon. It is requested that said Petition be granted and that a new Filing Receipt be mailed.

It is noted that the "obviousness type double patenting" rejection had been applied against claims 52, 55-57 and 74-77. Since that was the sole outstanding rejection, which is now obviated, a Notice of Allowance is respectfully solicited.

The fee for two (2) §1.20(d) disclaimer fees, totaling \$ 220 (i.e., two at \$110 each) is hereby authorized to be charged, plus any additional fees under §1.16 and §1.17, including time extension, required by this paper, to Dep. Account No. 07-1350. A duplicate copy of this authorization is enclosed.

Respectfully submitted,

Edward S. Podszus
